

## PFIZER BIONTECH COVID-19 VACCINE CONSENT FORM

Name (last, first)	Date of Birth
Emergency Contact Name/Relation	Phone

### VACCINE ELIGIBILITY SCREENING

The following questions will help us in determining if receiving the vaccine is a right for you.

	YES	NO
1. Have you received a COVID-19 vaccine, <b>at any time</b> ?		
2. Have you received any other vaccinations in the past <b>two (2) weeks</b> ?		
3. Are you experiencing <b>NEW/ATYPICAL</b> onset of the following: fever, chills, cough, shortness of breath, difficulty breathing, fatigue, muscle/body aches, headache, loss of taste/smell, sore throat, nausea, vomiting, diarrhea?		
4. Have you been diagnosed with COVID-19 infection, in the last <b>3 months</b> or are you/household member being monitored for COVID-19?		
5. If you answered yes to Q.4, did you receive antiviral/antibody therapies?		
6. Do you have a known allergy to <b>polyethylene glycol (PEG), polysorbate, or any of the listed components of the Pfizer COVID-19 Vaccine?</b> <i>The Pfizer-BioNTech COVID-19 Vaccine includes the following ingredients: mRNA, lipids ((4-hydroxybutyl)azanediyl)bis(hexane-6,1-diyl)bis(2-hexyldecanoate), 2 [(polyethylene glycol)-2000]-N,N-ditetradecylacetamide, 1,2-Distearoyl-sn-glycero-3- phosphocholine, and cholesterol), potassium chloride, monobasic potassium phosphate, sodium chloride, dibasic sodium phosphate dihydrate, and sucrose.</i>		
7. Have you experienced a <b>SEVERE</b> reaction to any vaccination, including within the first 4 hours of your 1 <sup>st</sup> COVID vaccine <b>Ex. itching, swelling, or hives to the body; difficulty breathing or wheezing</b>		
8. Do you have a <b>SEVERE/ANAPHYLACTIC</b> allergy or are required to carry/use of an Epi-Pen? <i>Examples include: medication, latex, food, insects/animals, environmental exposures</i>		

### CONSENT FOR VACCINATION

The Pfizer BioNTech COVID-19 Vaccine made by Pfizer has been authorized by the Federal Drug Administration (FDA) under the Emergency Use Authorization (EUA). The FDA may issue an EUA based on a declaration by the Secretary of the Department of Health and Human Services (HHS) that circumstances justify emergency use of the drugs and biological products during the COVID-19 pandemic, if certain criteria are met. Those criteria include that there are no adequate FDA approved alternatives available. There is currently not enough scientific evidence available for the FDA to fully approve this or any other COVID-19 vaccine. The FDA decision to issue a EUA is based on the totality of the scientific evidence available showing that the Pfizer vaccine may be effective to prevent COVID-19 and that the known and potential benefits of the Pfizer vaccine outweighs the known and potential risks.

North Central Texas Community Healthcare Center Is authorized to offer the Pfizer vaccine based on guidance from the Centers for Disease Control and the Texas Department of State Health Services. The Pfizer vaccine will be provided at no charge. The Pfizer vaccine requires two doses given 21 days apart to be effective.

Pfizer vaccine side effects that have been reported in clinical trials include, but are not limited to: injection site pain, tiredness, headache, muscle pain, chills, joint pain, fever, injection site swelling, injection site redness, nausea, feeling unwell, swollen lymph nodes. These symptoms are not severe in the majority of cases, and usually resolved within 24 hours. Adverse side effects should be reported to **CHC at 940.766.6306**. Certain severe allergic reactions have been reported outside of clinical trials; if you develop symptoms of an allergic reaction following vaccination (such as trouble breathing, chest pain, fast heartbeat, dizziness, weakness swelling of the face, throat, or tongue, or a rash all over your body ) **call 911 or go to your nearest Hospital Emergency Department.**

- I have read and/or had read and explained to me the Emergency Use Authorization (EUA) of the Pfizer COVID-19 Vaccine to Prevent Coronavirus Disease 2019 (COVID-19) in individuals 16 Years of Age and Older Fact Sheet for Recipients and Caregivers.
- I understand that the FDA has authorized use of the Pfizer Vaccine under the Emergency Use Authorization (EUA) and that there is currently not enough scientific evidence available for the FDA to fully approve this or any other COVID-19 Vaccine.
- I understand the known risks and the potential benefits of receiving the Pfizer Vaccine and I understand there may be risks to the Pfizer vaccine that are not known at this time.
- I have been given the opportunity to ask questions. And all questions I have regarding the vaccine, vaccination process, side effects, and follow up have been answered to full understanding and satisfaction.
- I understand and agree that Community Healthcare Center is required to submit COVID-19 vaccine administration data to the Texas Department of State Health Service's Texas Immunization Registry (ImmTrac2) System and report moderate and severe adverse events following vaccination to the Vaccine Adverse Event Reporting System (VAERS).
- I understand to receive full effect, that the Pfizer Vaccine will be given in two (2) separate doses, 21 days apart, and I will make every conscious effort to receive both doses.
- I understand it is required that I remain on site for at least **15 minutes** after receiving the Pfizer vaccine and that depending on the recommendations of medical professionals I may be asked to remain on site longer for monitoring.

By Signature, I **GIVE CONSENT** for NORTH CENTRAL TEXAS COMMUNITY HEALTHCARE CENTER and its staff to vaccinate me today.

## FORMULARIO DE CONSENTIMIENTO PARA LA VACUNA PFIZER BIONTECH CONTRA EL COVID-19

Apellido, nombre	Fecha de nacimiento
Nombre del contacto de emergencia/parentesco	Teléfono

### EVALUACIÓN DE ELEGIBILIDAD PARA LA VACUNA

Las siguientes preguntas nos ayudarán a determinar si la vacuna es adecuada para usted.

	SÍ	NO
1. ¿Recibió una vacuna contra el COVID-19 en cualquier momento?		
2. ¿Recibió alguna otra vacuna en las últimas dos (2) semanas?		
3. s, ¿Tiene usted de forma <b>NUEVA o ATÍPICA</b> alguno de los siguientes síntoma?: fiebre, escalofríos, tos, falta de aire, dificultad para respirar, fatiga, dolores musculares/corporales, dolor de cabeza, pérdida del gusto o del olfato, dolor de garganta, náuseas, vómito diarrea		
4. ¿Le diagnosticaron COVID-19 en los últimos 3 meses o usted o algún miembro de su hogar está siendo vigilado para ver si tiene COVID-19?		
5. Si respondió "sí" a la pregunta 4, ¿recibió tratamientos con antivirales/anticuerpos?		
6. ¿Tiene alergia al <b>polietilenglicol (PEG)</b> , al <b>polisorbato</b> o a alguno de los componentes de la vacuna Pfizer contra el COVID-19? <b>La vacuna Pfizer-BioNTech contra el COVID-19 incluye los siguientes componentes: ARNm, lípidos ((4-hidroxitil)azanedil)bis(hexano-6,1-dil)bis(2-hexildecanoato), 2 [(polietilenglicol)-2000]-N,N-ditetradecilacetamida, 1,2-distearoil-sn-glicero-3-fosfocolina y colesterol), cloruro de potasio, fosfato de potasio monobásico, cloruro de sodio, fosfato de sodio dibásico dihidrato y sacarosa.</b>		
7. ¿Tuvo alguna reacción <b>GRAVE</b> a alguna vacuna, incluidas las primeras 4 horas después de la 1. <sup>ra</sup> vacuna contra el COVID, tal como <b>picazón hinchazón o urticaria en el cuerpo, dificultad para respirar o sibilancias?</b>		
8. ¿Tiene alguna alergia <b>GRAVE/ANAFILÁCTICA</b> o debe llevar/usar un Epi-Pen? <b>Entre los ejemplos se incluyen: alergias a medicamentos, al látex, a ciertos alimentos, a insectos o animales, a exposiciones ambientales</b>		

### CONSENTIMIENTO PARA LA VACUNACIÓN

La vacuna Pfizer BioNTech contra el COVID-19, fabricada por Pfizer, fue autorizada por la Food and Drug Administration (Administración de Alimentos y Medicamentos de los Estados Unidos, FDA por sus siglas en inglés) mediante una Autorización de uso de emergencia (EUA por sus siglas en inglés). La FDA puede emitir una EUA basándose en una declaración del Secretario del Department of Health and Human Services (Departamento de Salud y Servicios Humanos o "HHS") de que las circunstancias justifican el uso de emergencia de medicamentos o productos biológicos durante la pandemia de COVID -19 si se cumplen ciertos criterios. Uno de esos criterios es el hecho de que no haya disponibles alternativas adecuadas aprobadas por la FDA. En este momento no hay suficiente evidencia científica disponible para que la FDA apruebe por completo esta o cualquier otra vacuna contra el COVID-19. La decisión de la FDA de emitir una EUA se basa en la totalidad de la evidencia científica disponible que muestra que la vacuna Pfizer puede ser eficaz en la prevención del COVID-19 y que sus beneficios conocidos y potenciales superan los riesgos conocidos y potenciales.

# Community Healthcare Center

*Reaching Out To Everyone*

North Central Texas Community Healthcare Center está autorizado a ofrecer la vacuna Pfizer de acuerdo con la guía de los Centers for Disease Control (Centros para el Control de Enfermedades) y el Texas Department of State Health Services (Departamento de Servicios de Salud del Estado de Texas). La vacuna Pfizer se proporcionará sin cargo. La vacuna Pfizer requiere dos dosis administradas con 21 días de diferencia para ser eficaz.

Algunos de los efectos secundarios de la vacuna Pfizer informados en ensayos clínicos son, entre otros: dolor, hinchazón o enrojecimiento en el lugar de la inyección, cansancio, dolor de cabeza, dolor muscular o articular, escalofríos, fiebre, náuseas, malestar general, hinchazón de los ganglios linfáticos. En la mayoría de los casos, estos síntomas no son graves y, por lo general, se resuelven en 24 horas. Los efectos secundarios adversos deben notificarse al CHC llamando al 940.766.6306. Se han informado ciertas reacciones alérgicas graves fuera de los ensayos clínicos; si usted tiene síntomas de una reacción alérgica después de la vacunación (p. ej., dificultad para respirar, dolor en el pecho, latidos rápidos del corazón, mareos, debilidad, hinchazón de la cara, garganta o lengua, o erupción en el cuerpo), llame al 911 o vaya al departamento de emergencias del hospital más cercano.

- Leí o me leyeron y me explicaron la Hoja informativa para receptores y cuidadores sobre la Autorización de uso de emergencia o "EUA" de la vacuna Pfizer contra el COVID-19 para prevenir la enfermedad del coronavirus 2019 (COVID-19) en personas de 16 años de edad y mayores.
- Comprendo que la FDA autorizó el uso de la vacuna Pfizer mediante la Autorización de uso de emergencia o "EUA" y que en este momento no hay suficiente evidencia científica disponible para que la FDA apruebe por completo esta o cualquier otra vacuna contra el COVID-19.
- Comprendo los riesgos conocidos y los posibles beneficios de recibir la vacuna Pfizer y comprendo que dicha vacuna puede tener riesgos aún desconocidos.
- Me dieron la oportunidad de hacer preguntas. Respondieron todas mis preguntas relativas a la vacuna, el proceso de vacunación, los efectos secundarios y el seguimiento a mi total satisfacción y comprensión.
- Comprendo y acepto que Community Healthcare Center debe enviar datos de la administración de la vacuna contra el COVID-19 al Texas Immunization Registry (Registro de vacunas de Texas, ImmTrac2) del Texas Department of State Health Service (Departamento de Servicios de Salud del Estado de Texas) y notificar acontecimientos adversos moderados y graves posteriores a la vacunación al *Vaccine Adverse Event Reporting System* (Sistema de notificación de reacciones adversas a las vacunas VAERS).
- Comprendo que para recibir el efecto completo de la vacuna Pfizer, me la administrarán en dos (2) dosis separadas con 21 días de diferencia y haré todo lo conscientemente posible para recibir las dos dosis.
- Comprendo que debo quedarme en el lugar al menos **15 minutos** después de recibir la vacuna Pfizer y que, dependiendo de las recomendaciones de los profesionales médicos, podrían pedirme que me quede más tiempo para vigilarme.

Mi firma al pie indica que **AUTORIZO** a NORTH CENTRAL TEXAS COMMUNITY HEALTHCARE CENTER y a su personal a vacunarme en el día de hoy.
